7:50 – 8:30 Retaining and Gaining Membership through Quality Evaluations

People join Toastmasters to improve – become better communicators and leaders. They want (and demand!) quality feedback about how they can improve and be challenged.

Your club's speech and general evaluations help meet this requested need for members and guests. When your club sets a high bar for quality feedback, you will retain 90% or more of current members and be above 20 members each dues period.

Come learn from an interactive panel discussion of Saturday Morning Live! Members as they discuss how to give excellent basic speech evaluations, advanced speech evaluations, and general evaluations. Saturday Morning Live! Is one of two District 6 clubs that focuses on advanced team evaluations for speakers.
