

Spring Convention - May 3 & 4, 2013

Dear Larry,

It's convention time! Lined up for your learning, fun and educational pleasure is a comprehensive list of activities. I can't help but look forward to this time of year. Spring convention is an important event for District 6 Toastmasters. Take a look at some of the events below; there is something for everyone. If you have not been to a convention before, you are cordially invited. I have to warn you, though...you will be hooked after your very first time! I look forward to seeing you there!

Rock Around The Clock!

Friday night we will be rocking out to a 50's theme. Come dressed in your favorite 50's garb, indulge at the ice cream social, and dance the night away to good ole rock & roll! There may even be a few surprises!

Silent Auction

The Silent Auction is a fun activity at District 6 conventions. Donations are accepted from individuals, clubs and organizations and will be bid on by conference attendees. There is a spirit of healthy competition as friends bid for favorite items. Monies gained from the Silent Auction go directly into the District 6 Treasury and may be used to help offset convention costs, as well as other significant District needs.

Join the fun! To find out how to participate as a donor, go to:
