Toastmasters of The Bernard Group

- Become a better leader
- Develop exceptional communication skills
- Gain self-confidence and build relationships with co-workers

Our weekly meetings help members become more effective public speakers in a casual, fun filled, atmosphere. Members win fun TBG trophies, earn official Toastmasters accolades, and boost their resumes, all while building self-confidence and speaking ability.

"I have to admit, this hour long journey is one of the quickest and most fun hours of my week."

- Jamie Dulebohn / Design Engineer - TBG Fab
