

# Club Officer Training

*It's time for Round 2 Club Officer Training...*

One of the most important activities that you can do to be successful as a club officer is to attend Club Officer Training.

Join us to fine tune your plans to finish the year strong.

- Review your current status.
- Join others in the same role to share ideas and learn from each other.
- Get credit for Point 9 in the Distinguished Club Program.
- Learn the resources that are available to you and how to use them to your advantage.
- Finalize your goals for the remainder of the year.

*Bring your Club Officer manual as we will use this extensively in the training.*
