

## **IBM Toastmasters Club** 2017 Open House, featuring **Rochester Mayor Ardele Brede**

We'll start with a social gathering including pizza, beverages, and dessert.

Mayor Brede will tell us about 'I'll never have to give a speech!'

After Mayor Brede, two Toastmasters will conduct an abridged Toastmasters meeting: speaker and evaluation. This will give the audience a terrific opportunity to observe Toastmasters in action.

We'll end with a group activity involving everybody.
