Officer Training **From Local Club to Global Organization: Your Leadership Matters**

Region 4 International Director candidates spotlight the impact club leaders make. There is a Toastmasters world beyond the club. It's the "why" we do what we do. In this unique officer training session, our visiting panelists discuss how what happens at the club level impacts the entire Toastmasters International organization. And how TI's vision impacts us all – right down to the individual member. This is an extraordinary opportunity to learn from these dedicated leaders.

WHAT DOES AN INTERNATIONAL DIRECTOR DO?

The affairs of Toastmasters International are conducted by and under the direction of the Board of Directors. The Board of Directors is made up of 19 elected officers and directors and the Chief Executive Officer (CEO), an ex officio member without voting privileges. They are responsible for:

- Upholding the mission of Toastmasters International and serving as its ambassadors
- Developing organizational strategy and policies, and ensuring their implementation
- Approving and overseeing the budget and financial matters
