

Lead, Serve, Grow. Join the Judges Corp.

Behind the scenes, volunteers can be critical to running an effective speech contest. We aim to enhance the Toastmasters experience for visitors and members; by strengthening the pool of volunteers who serve in contests.

We are looking for committed toastmasters to help develop, build and serve in the first ever, *District 6 Judges Corp.* Put those leadership skills to use serving in contest roles. Teach others about running a professional contest, all while enhancing the member experience in District 6.

Help Needed:

- Design, plan and launch the Judges Corp.
- Training contest judges and helpers.
- Serve as a contest helper.

Forward questions and inquiries to Ge Lee, District 6 Chief Judge, by emailing to zeblis@gmail.com or via <http://www.d6tm.org/directory-2/>.
