Patrick & Karen "K" Locke comes to us from District 7 in southwest Washington and Oregon. Karen was featured in this past January issue of Toastmaster Magazine. After suffering a devastating stroke 13 years ago she has thrived under the mentorship of Patrick over these past six years. Karen recently released her book which she will share with us along with her journey as a Toastmaster. Patrick is currently serving his third term as an area director. He received his first DTM in 2015 and will receive his second this year and has achieved Triple Crown for the past three years. Patrick has over 40 years in construction management and small business development. Over these past 6 years in Toastmasters Patrick has focused on leadership development and the elements of member success. "Toastmasters is by far the most affordable and extensive leadership program available worldwide."
