

Linda Dorn joined the Northfield Community Toastmasters Club in January 2017 and the Community Spirit Toastmasters Club in January 2019. Since joining Toastmasters, Linda has served as the Vice President of Membership for Northfield Community Toastmasters and is currently serving District 6 as the Area 45 Director, a Pathways Guide, a Club Coach, and as the Vice President of Education for Community Spirit. Linda is excited about the prospect of continuing her service to District 6 as the Division E Director. If elected, she plans to partner with her team of Area Directors to provide the help and support that each of the clubs need to reach their full potential. This partnership will also include regular trainings, discussions, and meetings with the the Division E team that will help the Area Directors in their roles and to ensure the team is apprised of key District 6 goals and programs. For example, Linda has created an Area Director Manual, which includes instructions on reports, websites, and procedures that will help the Area Directors better serve their assigned clubs. As a Pathways Guide, Linda will work with the Area Directors and clubs to ensure they have the guidance, resources, and support they need to navigate this final year of transition from the traditional Toastmasters education program to Pathways.
