## May 2012 News from the District Governor

**Dear Member,**

It is hard to believe that May is here, the weather is warm and a new Toastmaster year is just around the corner. It seems like just yesterday we were starting this year and now people are starting to cross that finish line to success. We celebrate those who have achieved their goals below.

Congratulations to each and every one of you. There are still many of us, however, who have much to do. Don't worry, there is still time! Stay true to your members and the mission of the club. Keep the prize in sight and know that everything you need is right there for the reaching. While we

are each working on our specific goals it is only when we band together that we make our District strong. Let's show the world what District 6 is all about!

#### **Beat the Clock is On!**

Program Dates: May 1 - June 30

"Beat the Clock" is about finishing the year on schedule -with a bang! Here's a wonderful new club goal: Earn the "Beat the Clock" award! Plan a contest in your club to motivate every member to get involved. Clubs adding five new, dual or reinstated members during these two months receive a "Beat the Clock" ribbon to display on the club's banner. [Click here for more details!](#)

## Advertising around the district...

Are interested in the future of your local Toastmasters club and other clubs within the District?

Are you willing to support a worthy, high visibility, strategic initiative with your time, ideas, and energy ?

If so, please join the Multimedia Marketing Project team; we have been waiting for you!

Our project has three aims: increase Toastmasters brand visibility, increase membership growth and develop a marketing infrastructure to support long term growth goals.

Help translate this tremendous opportunity into something that has a lasting impact on our District and clubs for many years to come. Ultimately, we are looking to add 5-7 more individuals to our team. This is a great opportunity to fulfill your HPL (high performance leadership) project requirements.
