

Public Relations District Report

Kari Barlas

Or in other words...

How the Heck can our club
THRIVE when our world has
been turned upside down?

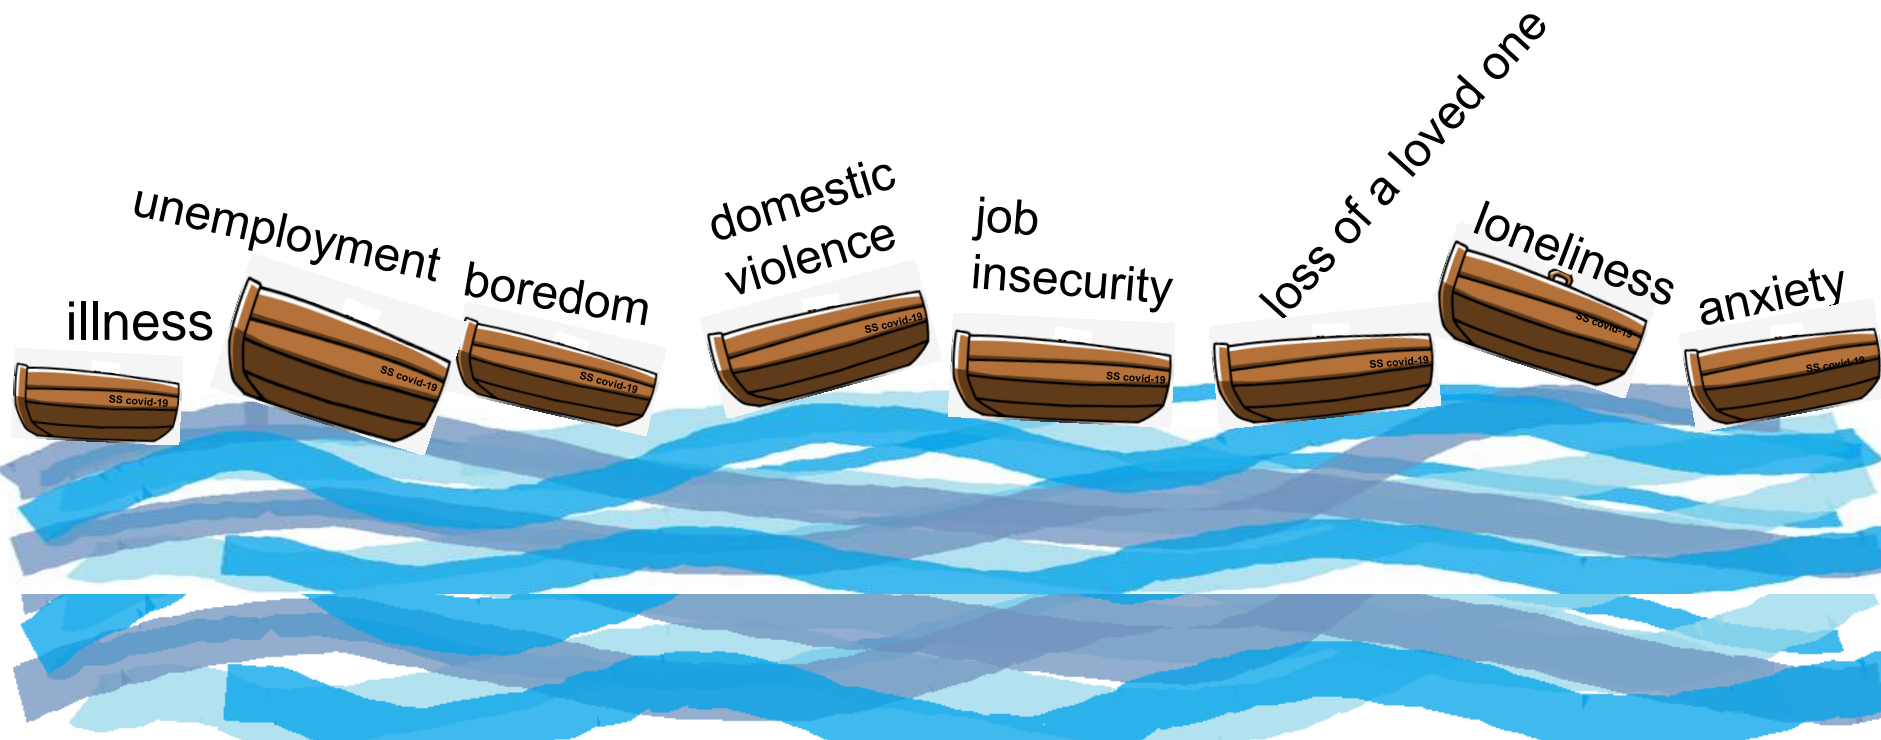

* I do not condone violating TI branding standards by manipulating the logo

We are **NOT** all in
the same boat.

We are in the same **STORM.**

Help each other

- ▶ **DEVELOP** online presenting AND listening skills
- ▶ **PRACTICE** communicating your skills for current (or future job) interviews
- ▶ **FIND** ways to add value
- ▶ **SHARE** laughter, joy, and tears

But most of all...

BUILD your community in the most meaningful ways for your members.
