KEEP THE SPIRIT ALIVE

District Six Toastmasters reached out to more potential members this year. We reached a significant milestone, chartering the 200th club during the year. Clubs in many non-metropolitan areas were in the process of chartering or had been chartered during the year. Winona once again has a Toastmasters club. Six hundred miles north, Nipoken, Ontario, Canada started their own club and planted the seeds for more clubs in the northern-most part of the District. Only two clubs (one per cent of our total), B. Dalton Speakeasy and Sports & Health #1, were lost due to changes within the companies that sponsored the clubs.

To start the year, District Six was recognized as a Distinguished District for 1985-86 at the International Convention. Perennial Sergeant at Arms John Riley received a Presidential Citation for his exemplary conduct as a district sergeant at arms.

District Six realized the challenges of growing ever larger and took the following steps as a result:

1. Transferred major responsibilities for conferences from District Officers to a Conference Committee.
2. Participated with many other districts in communicating with the Board of Directors on needed changes to a proposed reorganization.
3. Recruited educational, administrative and communications assistants for all divisions and also had the same organization in almost all of the areas.
4. Completed the District Six Long Range Plan that was started in 1985. Long range plans were developed in 6 major areas and responsibility for assisting current district officers to implement those plans were assigned to past district governors.
 - Education - Nancy Kehmeier
 - Membership - Pat Kirk
 - Culture and Image - Lou Novak
 - Finances - Bob Pierce
 - Organization - Ken Nelson
 - Leadership - Ed Nygaard
5. Recognized retention of membership as a major concern for the District and for Toastmasters International and began to explore ways to increase membership retention.

Revisions to the Area and Division Lt. Governor communications were made. Their management plan reports were distributed on a quarterly basis in the "Reach for the Stars" report. Monthly "Hotlines" helped the officers focus on upcoming events and also reported current progress on some of the administrative tasks for each office. Ribbons were presented to the officers at the end of their term to reward their achievement levels in their plans.

A substantial bylaws revision effort was undertaken by Joan Kastner and her bylaws committee to update out-dated language in the bylaws, to make them easier to quickly reference and to implement some guidelines for division Lt. Governor endorsements for elections. A recognition manual written by Past District Governor Doug Ward was given to area governors to help all officers recognize the individual toastmaster effort.

The second membership Rally with the theme of "Tomorrow is a Dream" was held at the Earl Brown Center with over 200 in attendance. The Fall Conference was held at the Kahler Hotel in Rochester. Carol Bronstad from Mankato 175 won the Humorous Speech Contest. International Director Lou Novak attended the Conference as the Director making the official 1986-87 director's visit.

The Spring Conference was held at the Day's Inn in Bloomington. The Friday Night party was a 50's Party complete with limbo contest and dancing to records in recognition of our upcoming District birthday. The Communications and Leadership Award was presented to Robert Montgomery, a past member of District Six and a renowned professional speaker. Governor's Citations were presented to 10 Toastmaster members for exceptional performance in special areas. District elections were exciting at the business meeting with many candidates. Four divisions of seven had races and there were three candidates for Administrative Lt. Governor. Kathy Brown from Midland Toastmasters won the International Speech Contest.

Many clubs celebrated significant events. Minneapolis #75 and Russell Conwell #82 celebrated their 50th anniversaries within one month. King Boreas #208, Greysolon #217 and Victory #221 celebrated 45th anniversaries. Minneapolis #459 celebrated its 40th anniversary.

JoAnne Sorbel received recognition as the Area Governor of the Year. Longtime member Farrell Burho of Hibbing #819 was recognized as the Toastmaster of the Year and Marilyn Coady was Division Lt. Governor of the Year. The Don Murray Award was earned by Elaine White of Lakers #388. Top bulletins were North Hennepin #2464 for Best Overall Bulletin, Voyageurs for Best New Bulletin and Toro Prose #5369 for Best Graphics. 96% of the clubs in the district submitted Club Management Plans, a real tribute to longtime Club Management Plan chairman Medard Kaisershot.

District Six was once again recognized at the International Convention in Chicago. Kathy Brown of Midland #776 who had won at the Region IV Speech Contest, competed at the International. Frank Strickon of Dan Patch #1280 presented an educational session at that same convention. Tom Wood was recognized as one of the top ten club recruiters in the world. The Immediate Past District Governor earned a special plaque for being one of the three districts who started the most new clubs during the year. These contributions and all the activities of the rest of the District members and leadership led to the first time achievement of Select Distinguished District for District Six. This meant that District Six has been a distinguished district for nine consecutive years.

District Six had been notified of the deaths of the following members: Tom Stearns of Dan Patch #1280, Joe Maccario of FMC Igniters #5517, Bob Buskirk of Lakers #388, Reuben Jensen of Faribault #372 and Berniece Atkinson of Waseca #1336. We also received the information that a former member, George W. Benson, had died on July 16, 1986. He was a former District Governor of our District and also a former International President in 1947-48.

Past District Governors meet in St. Cloud, October 17, 1987. Front row left to right: Stan Dickinson 1963-64; Jack Pelinka 1960-61; Ken Nelson 1985-86; Alex Smekta 1954-55; Cliff Thompson 1969-70; Dewey Brokofsky 1979-80; Back row: Doug Ward 1983-84; Bob Haynes 1971-72; Bill Hamlin 1970-71; Bob Pierce 1982-83; Ed Nygaard 1980-81; Mario Pedercini 1976-77; Bob Simonsen 1972-73; Ewald Koepsell 1974-75

WE ARE ACHIEVERS

WE ARE ACHIEVERS was the theme selected by International President John Fauvel for 1987-88. This also was the theme presented by District Governor Joe Dahlin. This was a year of adjustment and changes.

After many years of District committee meetings at Howard Johnsons in Bloomington, the hotel was sold to Days Inn. Problems arose with the new management which prompted the search for a different place for meetings. The Marriott Hotel in Bloomington was selected. The food and service was excellent but the prices were high.

The District Directory underwent changes and was published the earliest ever and was in the members hands before the International Convention. For the first time it was formatted on a home computer and printed by Land O'Lakes Print Shop. The District Governor's wife, Joanne, did the work on her computer and saved the District about \$1,000.

For the first time the Division Governors were included as part of the District team for completing the District Management Plan following the July Executive Committee meeting.

Club extension formed six new clubs, Speak E-Z #6973, Layfayette Park #6985, Hill Speakers #4415, Slice of Life #4752, First Class #6857 and Early Words #5006, the lowest number in many years. Due to the small number of new clubs it was decided to let some of the small, problem clubs disband. Center Speakers #2918 is now a training club for contest judging.

This year District Six traveled to the Sunwood Inn in St. Cloud for our Fall Conference on October 16-17. Thanks to the Conference Chairman Doug Ward and Conference Host Dale Schleppenbach for an outstanding weekend. Governor Dahlin and his wife had as their special guest Jacquie Taylor of Australia. Dewey Brokofsky, Past District Governor, now living in Arizona was the noon luncheon speaker. He gave a very humorous presentation about retirement. International Director Evan Haas was the District's special guest. The winner of the Humorous Speech Contest was Northern Division's Don Johnson of St. Cloud with his speech about the winds of North Dakota.

A corporate breakfast was held the Friday before the Spring Conference. The purpose was to invite CEO's of Twin Cities companies and to tell them the Toastmasters story and encourage them to have company clubs or to encourage their employees to join.

Lori LeFebvre resigned as District Treasurer in December. Pat O'Leary was appointed to fill out her term.

The Spring Conference was held April 29-30 at the Marriott in Bloomington. Special emphasis was on the 50 year anniversary. The Past District Governors had a special historical display of memorabilia from years past. A special cake was presented in honor of 50 years at the evening banquet. A 50-year Toastmaster Trivia contest was held at the Friday Fun Night.

At the Saturday breakfast HUG 20 recognition was given to clubs by Dagmar Runyon, Club Assistance chairman. Medard Kaisershot, Club Management chairman, gave recognition to those clubs completing their Plans. He has 12 years of CMP history on his computer. Bob Smith, Club Bulletin chairman, gave recognition to clubs that publish bulletins. Toro Prose #5369 received an award for the best bulletin, North Hennepin #2464 for best graphics and All American Speakers #4687 for best New Bulletin.

The Communication and Leadership Award was presented at the noon luncheon to General John W. Vessey, Jr. from Garrison, Minnesota. He was promoted to General in 1976 and was appointed to be the tenth chairman of the Joint Chiefs of Staff of the Department of Defense by President Ronald Reagan on June 1982. General Vessey enlisted in the Minnesota National Guard as a private and became the top person in the United States military.

Ken Tanner, International Director from Regina, Saskatchewan, was the special guest of District Six at the Spring Conference. He was kept very busy on Friday visiting corporations in the Twin Cities area.

At the business meeting Pat Kirk announced her candidacy for Region IV International Director.

Winner of the International Speech Contest was Northern Division's Deborah Poynter of Early Achievers #5009.

Toastmaster of the Year was Milt Lysdahl of the Northern Division. Area Governor of the Year was Gene Brennan of Area 46. Division Governor of the Year was Les Anderson of the Eastern Division. Sunrisers #4120 was awarded the title of Top Club. The Don Murray Award was given to Wayne Hanson of the Eastern Division.

The first billboard used by District Six was up in the first week of May. Art Breitbarth, Public Relations Chairman, had worked several years on this project. The message "Minnesota Doesn't Need Any More Cold Feet" will be up for 12 months and moved to a different location every month. Art received a Presidential Citation at the International Convention in Washington, DC for his dedication and outstanding work in public relations for District Six.

Two other District Six members also received special awards at the International Convention for being in the top ten for sponsoring members-- Peg Bauernfiend of Olmsted County #564 and Tom Wood of Comma Counters #4380.

Governor Joe Dahlin saw this year as a year of adjustment for the District. During the past years several weak clubs had been carried along and were still weak. When Club Extension did not develop many clubs, Governor Dahlin made it his goal to leave the District in a position that could give District Six a chance to be a top District the following year under the leadership of Dick Peterson. Therefore, several weak clubs were allowed to disband.

During the year the District was saddened to learn of the death of Mary Ewer a member of Anoka #2748.

TOASTMASTERS TOUCHING TOMORROW TODAY

"Toastmasters Touching Tomorrow Today" was International President Tom Richardson's theme for 1988-89. Eastwind #3937 won the District theme and logo contest incorporating this theme. Jerry Weaver enlarged the logo to poster size so it could be displayed at meetings during the year.

District Executive meetings, educational workshops and the Spring Conference were moved to the Thunderbird Hotel to cut expenses so more members could afford to attend meetings. Lois Bell, Secretary, "stepped in" to fulfill the Sergeant at Arms responsibilities when John Riley was unable to complete the year.

The Directory was formatted for the second year by Administrative Lt. Governor Joanne Dahlin on her home computer at a considerable cost savings.

The Steering Committee set management goals for the year in June including a goal of being one of the top twelve Districts in the world in performance. In November this goal was revised to being number one in the world.

Members traveled to the Marshall Inn in Marshall, Minnesota for the Fall Conference on October 21 & 22 to experience "Magic In Marshall". Conference Chairman Nancy Kehmeier and committee and Fall Conference Host Chairman Ron Shelito and Marshall #1276 collaborated on what was an excellent Conference. Excitement was in the air because District 6 was ranked number 3 in the world at the time. Laurel and Hardy were a hit at the Fun Night even though no one knew who they were. Immediate Past District Governor Joe Dahlin was actively involved selling "District 6 is No. 1" pennants. Accredited Speaker Keith Frost was the luncheon speaker. Dave Gade representing the Central Division won the Humorous Speech Contest. International Director Ian Edwards from West Des Moines, Iowa was a special guest presenting an educational session and helping with visits to developing clubs at Blue Earth, Fairmont and Worthington and to KMHL Radio in Marshall.

The Spring Conference Fun Night had a circus theme and was highly successful as a result of the work of Bruce Trippet and his committee. Excitement abounded because District 6 was ranked No. 1 in the world at the end of March. A large banner proclaimed that accomplishment and buttons proclaimed the same message. Another banner stated, "Toastmasters is more than a three ring circus". A special feature of fun night was the presentation of circus acts by clubs with prizes awarded.

At the Awards Breakfast Dagmar Runyon, Club Assistance Chairman, presented Hug 20 awards and Medard Kaisershot, Club Management Plan Chairman, presented ribbons based on level of performance to clubs submitting club management plans. Club Bulletin Chairman Neil Boerger presented the Best Bulletin Award to "Toastings" of Toro Prose #5369, Best Graphics Award to "The Articulators" of Realtors #2512, and Best New Bulletin to "Straight Talk" of Super Speakers #4701.

The Communication and Leadership Award was presented to Mayor George Latimer from St. Paul by Chairman Robert Simonsen. Bruce Trippet representing the Western Division won the International Speech Contest after the evening banquet. Lorin Pollmann of the Western Division was named Toastmaster of the Year and Bill Greger of Unysis #66 was the Don Murray Award winner. Toro Prose #5369 was recognized as the Top Club of the District.

Division Governors of the Year were Jerry Weaver from Central Division, Duane Rivard of Eastern Division and Elaine White of Western Division. Area Governor of the Year was Jim Miller of Central Division. At the business meeting a realignment plan creating an eighth division was approved.

Duane Rivard was chairman of the Corporate Breakfast for the second year. International Director Evan Hass from Fargo, North Dakota was the distinguished guest for the Spring Conference. He made four corporate visits, participated in the Corporate Breakfast, presented an educational session and was a participant in making the promotional film.

Our District Six billboard continued to be moved monthly to different locations around the metro area proclaiming "MINNESOTA DOESN'T NEED ANY MORE COLD FEET". Art Breitbarth continued to monitor its location. Caroline Colby and Art Breitbarth directed the development of a promotional video which was available for use by cable companies. It was taped at the White Bear Lake Cable Company.

At the Region IV Conference in Regina, Saskatchewan Bruce Trippet won the International Speech Contest which earned him the privilege of competing for the world title at the International Convention. Pat Kirk won the majority endorsement for International Director. Bob Pierce presented an educational session at the Conference.

The International Convention at Palm Desert, California proved most satisfying since District 6 was recognized as a President's Distinguished District which included six districts out of 68 in the world. Even more wonderful-- District 6 was ranked NUMBER ONE IN THE WORLD! The entire delegation of District 6 Toastmasters, smiling broadly, received the award from International President Tom Richardson at center spot light as the flashbulbs popped.

District 6 received the first place Club Extension Award which is based on the number of clubs chartered minus the number of clubs lost. This was a result of the work of Club Extension Chairman Joe Dahlin and Club Assistance Chairman Dagmar Runyon and their committees and the help of many other Toastmasters. President's Circle Awards for top ten sponsors of new members were awarded to Judy Wagner of Cinnamon #3370 and Tom Wood of Comma Counters #4380.

The goals and accomplishments for the year were as follows:

	TI Goal	D6 Goal	D6 Actual

TOASTMASTERS: BUILDING A BETTER YOU

International President, John Noonan's theme for the 1989/90 years was "Toastmasters: Building A Better You". District 6 Publication Chair incorporated that theme into the logo of the District 6 Digest. The Digest was published 4 times during the year and mailed to all members.

The District Fall conference was held in Two Harbors, Minnesota, a small town on beautiful Lake Superior. The theme of the conference was "An International Experience" in Two Harbors. Very appropriate as we were so close to our Canadian members and their attendance was outstanding. At the opening ceremonies each Area Governor was presented with an Area Governor Home Club ribbon to take back to their home club and display on their banner. This will be a lasting remembrance of their year as Area Governor and in appreciation of the support of their home club. Bruce Trippet was our luncheon speaker and he spoke about how to put together a winning speech. Bruce was the Region 4 representative to the International Speech Contest in Palm Desert, California in August, 1989. Into his speech he incorporated his contest speech for those who did not hear it in Palm Desert.

Patty Commerford chaired the conference committee and did an excellent job as did the many Area 31 Toastmasters who served as the Host Area locally. The conference ended in grand style as all eight divisions were represented in the Humorous Speech Contest. The winner of the contest was Wright Truesdale who represented the Northern Division.

While in the Two Harbors area, International Director Ian Edwards, International Division Lt. Governor Phil Pechek and the District Governor, Sally Muraski visited many of the local businesses and city leaders hoping to start a club there. Just a few short months later, the Lake Superior Toastmasters Club chartered.

District 6 was notified that the Toastmaster Billboard "Minnesota Doesn't Need Any More Cold Feet" which was a long term goal of Art Breitbarth and finally became a reality in 1988, received recognition as an outstanding outdoor advertisement and was pictured in the "One Show Book". Being mentioned in this book is the highest honor advertisement can receive. A special edition of the District Digest was issued to recognize Art for his efforts.

Our Spring Conference started in grand style with another Corporate Breakfast. Doug Ward was the conference chair and presented Land O Lakes with a plaque in recognition of their support to the Buttermasters Club over the past years.

The Spring conference was held at the Thunderbird Lodge with a overall Western theme. A part of the Friday Night Fun Night was a Gong Show where many of the members participated and were rewarded with prizes. At the Awards breakfast, Bill Greger presented Hug 20 Ribbons to the clubs who were under 20 members and increased membership over the year. Neil Boerger presented awards to the best bulletins. They were:

- Best New Bulletin - Craymasters #7328
- Best Graphics - Sunrisers #2140
- Best Overall Bulletin - Super Speakers #4701

The Communications and Leadership award was presented to Curtis Carlson of Carlson Companies. At the evening banquet we had even more Toastmasters to recognize:

- Toastmaster of the Year - Len Jennings
- Don Murray Award - Rita Pierce
- Toro ProSE was the top CMP club, second consecutive year.

The International Speech Contest topped off the conference and again all eight divisions were represented. Steve Lansing of the Southern Division won the contest and would go on to represent District 6 at the Region 4 Conference.

The Region 4 Conference was held in Bloomington, Minnesota on June 14, 15, & 16. Ed Nygaard was the conference chair and the conference was a huge success.

Division Governor of the year was Nancy Anderson of Eastern Division while the Area Governor of the year was Shari Wilson, also from Eastern Division.

The International Convention was held in Dallas, Texas. Hal Masen was awarded the Presidential Citation for his contributions to the Toastmasters in District 6 and Judy Wagner received top recruiter recognition.

The goals and accomplishments of this year were:

"PRIDE AND PURPOSE INSPIRE PERFORMANCE"

"Pride and Purpose Inspire Performance" was the International theme chosen by International President Ed Bick for the 1990-1991 year .

At the beginning of the year, District 6 officers promoted a membership BLITZ throughout Minnesota. Governor Rudy Perpich signed a proclamation declaring September 23-29 as "Toastmasters Week" and mayors of Minneapolis, St. Paul, Rochester, Duluth, Superior, Fairmont and many other cities throughout Minnesota and Ontario also joined the proclamation. Caroline Colby and Bruce Trippet taped four public service announcements which aired on Channel 11. Publicity tapes were also mailed to all of the radio stations throughout the state. Club members became very enthusiastic about what the Blitz could do for them and demonstrated their commitment by distributing flyers and brochures, setting up displays in shopping centers, planning special guest nights, holding speechcraft sessions. Many participating clubs reported increases in guest attendance and they also increased their membership.

A telephone answering machine was purchased for the Twin City Toastmaster telephone line to replace the commercial answering service. Members have taken turns responding to the telephone inquiries and distributing these calls to appropriate clubs for recruiting new members.

Members expressed concerns about the quality of service and facilities available at the Thunderbird Hotel. District Executive meetings, educational workshops and the Spring Conference were moved to the Holiday Inn International to better meet the needs of the membership. The Holiday Inn facilities and service were excellent.

Members traveled to the Garden Inn in Mankato for the Fall Conference, October 19-20. Conference Chairman Nancy Anderson and Conference Host Rita Pierce did an outstanding job planning the Conference. Because of an illness in her family, Rita was unable to attend the Conference. International Director Carol Blair from Edmonton, Alberta was our official guest. Accompanied by Past International Director Lou Novak, Carol visited several companies in the Twin Cities area to promote Toastmasters. The Humorous Speech Contest was won by Tuyet-Ahn Tran, representing the Southern Division.

The Spring Conference was held at the Holiday Inn in Bloomington, April 19-20. The Friday night theme was "Moments to Remember". Bulletin awards were presented at the Saturday morning breakfast in four categories, as follows: Best Graphics—Prairie Winds #4591, Best New Bulletin—Fuller Spirits #2206, Best Overall—Realtors #2512 and Best Non-Computer Bulletin—Pine Island #4535. Jim Miller was recognized as the top recruiter in the membership contest. Outstanding educational sessions were presented by Michael Podolinsky, Janie Jasin, Laurie Fischer (District 64 Governor), International Director Pat Kirk and Dr. Alan Zimmerman.

The Communication and Leadership Award was presented to Dr. Nils Hasselmo, University of Minnesota President. Brad Ballinger, from the Western Division, won the International Speech Contest.

Cathy Gray, Area 84, was named Area Governor of the Year and Bruce Trippet, Western Division, was named Division Lt. Governor of the Year. Les Anderson, Eastern Division, was Toastmaster of the Year. The Don Murray Award was presented to Dan Field.

The Region IV Conference was held June 27-29 in Omaha, Nebraska. Two contests were added to the conference this year, a Lip Sync and a Humorous Speech Contest. Darlene Anderson

placed third in the Lip Sync Contest on Thursday evening. Tuyet-Ahn Tran was second in the Humorous Speech Contest on Friday evening. Brad Ballinger continued the momentum and won the International Speech Contest on Saturday evening. This earned him the privilege of competing in the World Championship of Public Speaking.

The International Convention was held in Atlanta, Georgia. Dick Peterson was elected International Director from Region IV. District Six was recognized for having achieved Distinguished District status. Judy Wagner, Cinnamon Club 3370 received the President's Sponsor Award for the second year in a row for having sponsored more new members than anyone else in the world. This is her third consecutive year in the top ten recruiters internationally.

Club Extension Chairman Joe Dahlin and his assistants formed 21 new clubs during the year. Joe has been involved in the formation of more than 70 new clubs since joining Toastmasters in 1978. New clubs this year include:

1. Bluff Speakers #594 (Detector Electronics)
2. West Winds #1409 (3M Company)
3. Stand & Deliver #2865 (Univ. of Minnesota-Duluth)
4. Mayo Hi-Nooners #4677 (Mayo Clinic-Rochester)

Although eight clubs officially disbanded, the District year ended with 243 clubs — or a net gain of 14 clubs. Per capita membership was 9,839 members, with 366 receiving a CTM designation, 65 receiving an ATM designation and 11 DTMs. Twenty-two Youth Leaderships were recorded, 52 Speechcraft programs and 77 Success Leadership programs. The average club membership was 20.24 members.

During the year the District was informed of the deaths of 1970-1971 Past District Governor Bill Hamlin of Hibbing Club #819, Bob Parker of Viking Club #571, Lynn Olson of Waseca Club 1336, Gail Perrozi of HiPhi Speakers Club #7949 and Lloyd Joyce of Sunrisers Club #2140.

The PRIDE and PURPOSE of District Six truly INSPIRED its PERFORMANCE.
