

Many monthly mailings were accomplished in the "DISTRICT VAN". A favorite mail box is on the main street in Two Harbors MN. Many trips to Canada and Duluth afforded the opportunity to disseminate information to club presidents via production line. Memories are made of this.

The first ever Area 85 CTM-athon was the brain child of Area Governor Pat Croal DTM. Area 85 clubs came together for what turned out to be a huge "joint club meeting." Several featured speakers obtained their CTMs by giving the final speech needed. What a wonderful tradition to start.

Tic Talkers club # 6348 was recognized for achievements in reaching # 1 in the under 20 category. Judy Daily club President set the goal and led her club to success in achieving it.

Toastmasters Share the Vision Of Excellence

The year began with excitement with the theme 'Toastmasters Share the Vision Of Excellence', chosen by Toastmasters International President Ian B. Edwards, DTM. District 6 used the same theme and 'Excellence' pins were presented to all who completed a CTM, ATM, DTM, or an educational program.

The district leadership team members were all trained and ready to accept the challenge and responsibilities of their office by July 1. The top officers made the annual trip to Thunder Bay and Duluth to train the club officers in those clubs.

District 6 for the first time had a booth at the Minnesota State Fair in the Education Building. This booth was very Successful with at least 1 club (Trane Hot Air Vents) being a direct result of this booth. Thanks to LGET Keith Hardy for making the arrangements for this booth. Over 700 names were passed out to clubs to follow up on for new members.

District 6 was recognized at the International convention as a Distinguished District. District Governor Joy Pirkl received her plaque for leading the district to Distinguished Status, I received a plaque for making the educational goals, and LGM Keith Hardy received a plaque for achieving the goals in marketing. The District newsletter edited by Jon Shields was recognized as one of the top 10 district newsletters in Toastmasters. King of Clubs (#447) received recognition for having one to the Top 5 membership campaigns during the year. Bruce Trippet was elected to the International Board of Directors for a two year term and Terry Daily was elected 3rd Vice-president of Toastmasters International.

The Toastmasters Education & Leadership Institute sessions were held at the Ramada Plaza Hotel in Minnetonka for the 2nd year. This program was under the direction of Lucy Burger.

October was declared Toastmaster Month by Governor Carlson, and several cities and communities also declared special days and weeks Toastmasters week.

The Fall Conference was held in Duluth with the theme of 'District 6 Homecoming'. District 6 Conference Chair Pat Croal and her committee spent many long hours putting together a great program. The leadership and help from the Duluth Toastmaster clubs was greatly appreciated. This help made sure the 1996 fall conference was one of the best ever.

The educational programs were:

The Art of Self Coaching by Arlene Soden and Bob Hartl; **Listen More = Talk Less** by Shirley Jaroli, CTM; **"Sometimes You Just Gotta Break the Rules"** by Charles Burrell, DTM; and **"AHA! - Nurturing the Creative Spark"** by Gregg Marquardt, CTM.

Friday Fun Night featured a homecoming party with a pep Rally led by the District 6 Cheerleaders. The evening continued with a homecoming attire contest, then a King and Queen for the night were crowned and finally there was a 'Make your own Sundae Bar'.
